

FOR IMMEDIATE RELEASE

Tele-Data Solutions, Inc. awarded ESI's 2009 Elite Reseller status

Union, NJ firm awarded manufacturer's highest honor

PLANO, TEXAS; March 1, 2009 — Continuing its commitment to quality and customer service, Estech Systems, Inc. (ESI), an innovative leader in digital and IP business communications systems, today named Tele-Data Solutions, Inc. of Union, New Jersey as an ESI Elite Reseller for 2009.

“We are thrilled and honored to receive this award from our valued partner, ESI,” said Tele-Data Solutions, Inc. Vice President Damon Finaldi. “Recognition as a 2009 Elite Reseller, and our recent Platinum Level Quality Reseller award from ESI, demonstrate the dedication we have to helping customers overcome business communication challenges through integrated telephony solutions.”

The ESI Elite Reseller program annually honors and rewards ESI's top resellers. This is the highest recognition an ESI Reseller can receive and is awarded to a select group of ESI's nationwide network of resellers. Qualification for membership is based on quantitative and qualitative criteria including the quality of services provided and overall end user satisfaction. Only those Resellers who achieve the highest levels on each of these criteria qualify for this exclusive program.

“We are delighted to present Tele-Data Solutions with this award,” said Pam Hughes, ESI's Vice President of Sales and Marketing. “By reaching Elite status, they have demonstrated the strength of their commitment to excellence and to their customers. ESI looks forward to extending our long-standing partnership.”

About Tele-Data Solutions, Inc.

Founded in 1981, Tele-Data Solutions, Inc. is committed to establishing lasting business relationships with its clients. We recognize the importance of building technology around people, not people around technology. Tele-Data Solutions provides “all in one” solutions, acting as your single point of contact for all your communication needs. For more information contact Tele-Data Solutions at 888-FOR-TELE or www.telesolutionsnj.com.

About ESI

ESI (Estech Systems, Inc.) designs and manufactures telephone systems and components for businesses. ESI's systems offer advanced technological design and extreme ease of use, yet are very cost-competitive. The product line includes ESI's family of Communications Servers, which support both digital and IP technologies in any desired combination. ESI's business phone systems are sold through hundreds of factory-trained Certified Resellers. Founded in 1987, ESI is a privately held corporation with headquarters in Plano, Texas. More information about ESI and its products is available at www.esi-estech.com.
